Procedure:

Mix the ingredients of phase A in a beaker. Add phase B which consists of 8.00g of grinded sugar and 68.35g of non grinded sugar, to phase A and mix it. Then add phase C and mix strongly until the bulk is homogeneous.

Notes:

Sugar Lip Scrub is a gentle but effective peeling product for skin. Little sugar crystals act as peeling particles so the lips get very soft. Timiron® Splendid Green adds an interesting effect to the blue base color of the product. RonaCare® Bisabolol acts as a soothing agent from natural source and Oxyxex® K liquid as an antioxidant for oils with low Tocopherol content.
