

WHAT WE'RE LOOKING FOR

We are particularly interested in opportunities that will support our strategic business objectives.

From discovery to commercial deal, new technology or strategic research alliance, if you wish to work with an organization that values trust, transparency and mutually rewarding relationships, we want to hear from you.

EMD Serono is also constantly looking for partners for assets to be externalized. If you are interested to introduce yourself, please talk to us.

Partner with us for innovative solutions in:

- Oncology
- Immuno-Oncology
- Immunology
- Multiple Sclerosis
- Fertility
- Cardiovascular, Metabolism and Endocrinology
- Enabling Technologies
- Companion Diagnostics

Merck, Darmstadt, Germany
Frankfurter Str. 250 64293
