<sup>1</sup> Debit-side items (negative values) can occur due to the recording of business transactions to the accounts. This does not change the classification of the position as a provision.

## III. Provisions for cost of sales

| Document number | Posting date | Nominal value of the document item in Euro (pro rata, as the case may be) <sup>1</sup> |

<sup>1</sup> Debit-side items (negative values) can occur due to the recording of business transactions to the accounts. This does not change the classification of the position as a provision.

## IV. Provisions for outstanding invoices

| Document number | Posting date | Nominal value of the document item in Euro (pro rata, as the case may be) <sup>1</sup> |
|-----------------|--------------|----------------------------------------------------------------------------------------|
| 5200015877      | 30.09.2011   | 5.240.163,74                                                                           |
