KGaA and PM OpCo

**Content of the Trust Agreement  
with regard to Registered Property Rights pursuant to Section 28.3.b of the  
Hive-down and Transfer Agreement between  
KGaA and PM OpCo**

**§ 1 Trust Agreement**

- 1.1 By way of a trust agreement, KGaA undertakes to hold the Registered Property Rights in trust for PM OpCo and solely in PM OpCo's interest. In particular, KGaA shall not have the right to transfer, assign, encumber, pledge or abandon the Registered Property Rights or grant licenses to them without the prior consent of PM OpCo.
- 1.2 PM OpCo shall have the right to extend the trust relationship established as per this Trust Agreement to additional trademarks, patents, domains, or other registered property rights (or respective applications) at any time by so instructing KGaA. In particular, PM OpCo may instruct KGaA to register additional property rights under this Trust Agreement in PM OpCo's interest. All such additional property rights (or respective applications) shall be regarded as Registered Property Rights within the meaning of this Trust Agreement from the time the order is issued by PM OpCo. Once a year, the Parties shall update the list of Registered Property Rights accordingly as set forth in Annex 28.2 of the Hive-down Agreement.
- 1.3 The Parties agree that, during the term of the fiduciary administration, KGaA shall have the same economic rights with respect to the Registered Property Rights as the legal owner, and that the fiduciary administration shall not result in KGaA being the beneficial owner of the Registered Property Rights, whether in whole or in part.
- 1.4 The provisions of this Trust Agreement shall have no impact on licenses granted to third parties under the Registered Property Rights and the related rights and obligations of such third parties or PM OpCo. If licenses under the Registered Property Rights are required to be submitted to national or other authorities, KGaA shall undertake to submit them under this Trust Agreement.

**§ 2 Rights and Obligations of KGaA**

- 2.1 KGaA shall be obligated to carry out all instructions issued by PM OpCo in connection with the Registered Property Rights. KGaA shall be obligated to perform all duties arising from this Trust Agreement with utmost diligence.
- 2.2 KGaA shall be obligated to register, prosecute, maintain, and monitor the Registered Property Rights in all countries determined by PM OpCo. This shall, in particular, include KGaA's duty to monitor deadlines, pay due fees in time and submit registrations, applications, and other communications to the respective

registry authorities in a timely fashion. When doing so, KGaA shall act in PM OpCo's best interest at all times and operate in such a manner that the business operations of PM OpCo are protected in an economically viable way. Should KGaA be in doubt whether a certain registration, prosecution or maintenance action is in PM OpCo's interest, it shall ask PM OpCo to give respective instructions.

- 2.3 KGaA shall only be obligated and entitled to assert the Registered Property Rights against current or potential infringers if PM OpCo has issued an explicit order. Such explicit order can also be given in generalized form. If KGaA receives such order, it shall assert the Registered Property Rights in PM OpCo's best interest and in accordance with the latter's instructions, while keeping PM OpCo informed of all key aspects of the proceedings. KGaA shall approach PM OpCo if it considers a certain action useful with regard to asserting the Registered Property Rights, provide reasons for its assessment and request respective instructions from PM OpCo.
- 2.4 As between KGaA and PM OpCo, PM OpCo shall be entitled to all payments that KGaA receives in connection with its activities under this Trust Agreement, including all license fees or compensation payments for damages paid by third parties.
- 2.5 KGaA shall be permitted to engage a trustee with the performance of its obligations under this Trust Agreement, such as Merck Patent GmbH, Darmstadt, Germany, an affiliated company of KGaA.

### **§ 3 Rights and Obligations of PM OpCo**

- 3.1 Subject to any third-party rights arising from any license agreements, PM OpCo shall have the exclusive right to use and exploit the Registered Property Rights in any way. This includes PM OpCo's right to assign such rights to any third parties or have them exercised by any third parties (including the right to grant licenses).
- 3.2 PM OpCo shall have the right to give instructions with regard to the Registered Property Rights to KGaA at any time.
- 3.3 PM OpCo shall be obligated to assist KGaA with the registration, prosecution, maintenance, monitoring and assertion of Registered Property Rights, in particular, if so requested by KGaA, by (a) submitting all declarations required for registration, prosecution, maintenance, and assertion of the Registered Property Rights in the respective jurisdiction and by (b) providing KGaA with all documents and information useful for registration, prosecution, maintenance and assertion of the Registered Property Rights.
- 3.4 PM OpCo shall be entitled to demand at any time that KGaA suspends any and all activities in relation to one or more Registered Property Rights and to take over the registration, prosecution, maintenance and assertion of particular Registered Property Rights from KGaA.

#### **§ 4 Costs and Accounting**

- 4.1 All costs and expenses incurred by KGaA in connection with its obligations under this Trust Agreement shall be borne by PM OpCo. KGaA shall invoice PM OpCo for all costs incurred as a result of performing its obligations under this Trust Agreement on a monthly basis. This shall, in particular, include official fees, legal fees, and in-house costs of KGaA. To the extent applicable, VAT shall be added to the reported amount and reimbursed to KGaA.
- 4.2 Within 60 days of receipt of an invoice, PM OpCo must transfer the substantiated and invoiced amount pursuant to Section 4.1 in euros to a bank account specified by KGaA.
- 4.3 For clarity, the Parties hereby agree that PM OpCo shall be solely responsible for paying compensation for employee inventions that result from applicable laws or the application of the Award Plan for Inventions (MAPI) of KGaA. If desired by PM OpCo, however, KGaA shall claim an employee invention on PM OpCo's behalf, prepare standard contracts with the employee inventors and calculate the respective remunerations or shall commission a third party to perform such activities.

#### **§ 5 Term and Termination**

- 5.1 This Trust Agreement shall take effect upon the hive-down being registered in the Commercial Register with retroactive economic effect from midnight on January 1, 2018 and is entered into for an indefinite period of time.
- 5.2 PM OpCo may terminate this Trust Agreement for convenience at any time upon giving 6 months' notice at the end of each calendar month. KGaA may terminate this Trust Agreement for convenience at any time upon giving 6 months' notice at the end of each calendar month.
- 5.3 The right of both Parties to terminate this Trust Agreement for due cause shall remain unaffected.
- 5.4 Upon termination of this Trust Agreement, all rights of the Parties under this Trust Agreement shall terminate, unless otherwise expressly specified herein. Upon such termination becoming effective, legal ownership of the Registered Property Rights shall be transferred from KGaA to PM OpCo. KGaA hereby agrees to such transfer. PM OpCo shall be responsible for the registration of such transfer of ownership in the Registered Property Rights in the respective registers at its own expense.

## **§ 5 Registration, prosecution, maintenance, defense and enforcement of patent rights**

- 5.1 KGaA shall have the sole right and obligation to take all necessary actions to maintain and prosecute the licensed patent rights during the term of this License Agreement. KGaA shall take PM OpCo's interests into account. PM OpCo must immediately inform KGaA upon becoming aware of a current or potential infringement of the licensed copyrights and ancillary copyrights. PM OpCo shall further provide appropriate assistance to KGaA with regard to the enforcement of the licensed copyrights and ancillary copyrights in the Performance Materials sector.

## D. Specific provisions for license to Know-How

### § 8 Scope of the license

- 8.1 KGaA grants to PM OpCo a perpetual, irrevocable (subject to the provisions of Section 13.2), non-exclusive, royalty-free, non-transferable license to use the Know-How licensed in accordance with Section 29.2 of the Hive-down Agreement exclusively in the ordinary course of business of the Performance Materials sector as specified in Section 2.c) of the Preamble to the Hive-down Agreement.
- 8.2 PM OpCo shall only be permitted to grant sublicenses to third parties under the license granted to it in accordance with Section 8.1 to the extent it is necessary for the purpose of its ordinary business operations (e.g., in relation to the appointment of subcontractors) and upon the prior written consent of KGaA with regard to the respective sublicense.
- 8.3 Sections 29.5 and 29.6 of the Hive-down Agreement shall remain unaffected.

## E. Specific provisions for license to Rights of Use

### § 9 Scope of the license

KGaA grants to PM OpCo a perpetual, irrevocable (subject to the provisions of Section 13.2), non-exclusive, royalty-free, non-transferable, and non-sublicensable sublicense to use the Licensed Rights of Use Performance Materials according to Section 28.4.d of the Hive-down Agreement exclusively in the ordinary course of business of the Performance Materials sector as specified in Section 2.c) of the Preamble to the Hive-down Agreement. The granted right to use the Licensed Rights of Use Performance Materials shall be limited to those types of use which KGaA itself may exercise. The scope of the respective Right of Use is specified in the agreement concluded between KGaA and the respective licensor (**Principle Agreement**) and terminates upon termination of KGaA's rights under the Principle Agreement. PM OpCo undertakes to comply with all restrictions and obligations of KGaA under the Principle Agreement in such manner that KGaA is able to fulfill its contractual obligations towards the Licensor.

## F. General provisions

### § 10 Limitations on disposal, third-party rights

The rights granted in this License Agreement shall apply only to the extent to which KGaA is entitled to dispose of them at the date of its execution. The provisions of this License Agreement shall have no effect on prior licenses granted to third parties under the Licensed Property Rights Performance Materials or the Licensed Rights of Use

Performance Materials, and the rights and obligations of the third party or KGaA set forth therein.

### **§ 11 Assistance**

PM OpCo shall assist KGaA at its own expense with the registration, prosecution, maintenance, defense and enforcement of the Licensed Property Rights or Licensed Rights of Use under this License Agreement and, where appropriate, issue required statements.

### **§ 12 Cost allocation**

PM OpCo shall reimburse KGaA on a pro rata basis for all costs incurred by KGaA in connection with the registration, prosecution, maintenance, defense, and enforcement of the Licensed Property Rights or Licensed Rights of Use under this License Agreement. The proportion of costs to be borne by PM OpCo is to be determined based on the extent to which the respective Licensed Property Right or Licensed Right of Use is used by PM OpCo in comparison to the total use of the respective Licensed Property Right or Licensed Right of Use in the Group. Details shall be agreed upon by the Parties from time to time by mutual agreement.

### **§ 13 Term and termination**

- 13.1 The License Agreement is concluded for an indefinite period of time.
- 13.2 In the event a change of control occurs at PM OpCo or their legal successors, KGaA may terminate the granted licenses for due cause without being obligated to compensate PM OpCo or their legal successors. If KGaA exercises such right to terminate the License Agreement, all rights and obligations stipulated herein shall terminate with immediate effect. A change of control is deemed to have occurred when a third party, which is not an "affiliated company" of PM OpCo or its legal successors in terms of Section 15 et.seq. German Stock Corporation Act (*AktG*), solely or jointly with other third parties directly or indirectly acquires more than 50% of the company shares of PM OpCo or its legal successors or otherwise gains control, whether such control is gained by acquiring company shares, by way of a merger, or as a result of other statutory or contractual measures.
- 13.3 Unless otherwise specified in this License Agreement, this License Agreement may only be terminated if the termination right cannot be waived under applicable law.
- 13.4 If the License Agreement is terminated, all rights and obligations of the Parties under this License Agreement shall be void with immediate effect and without any Party's right to claim compensation. In case of termination of this License Agreement, PM OpCo shall cease the use of the Licensed Property Rights Performance Materials and the Licensed Rights of Use Performance Materials immediately.
