At Merck KGaA, Darmstadt, Germany, we have been successfully moving with the times for over 350 years. We are on a journey of transformation, and the current crisis is no exception.

With that said, we are excited to cordially invite you to attend our first virtual Capital Markets Day (CMD) event for investors and analysts. It will be held on Wednesday, **September 16, 2020** from 10:00 a.m. until 3:00 p.m. (CEST).

Group CEO Stefan Oschmann and CFO Marcus Kuhnert will provide an overview of the latest developments and future plans to continue the Company success story and journey of profitable growth.

This virtual Capital Markets Day will also offer you the opportunity to discuss with the Executive Board, including our sector CEOs.

In addition, we will hold in-depth sessions on two of our most important growth drivers: Process Solutions and Semiconductor Solutions. To stay within a reasonable time frame, a deep dive into Healthcare R&D will follow during a separate conference call on September 25, 2020 (invitation to follow soon).

You can look forward to insightful presentations and the opportunity to address your questions to the specialists at Merck KGaA, Darmstadt, Germany.

We look forward to your participation!

There will be a live webcast of the entire event.

The recorded webcast will be available as of the next day. The link will be published prior to the event [on our homepage](#).
