Capital Markets Day 2024

Agenda for October 17, 2024

Our 2024 Capital Markets Day will feature Group CEO Belén Garijo and CFO Helene von Roeder sharing insights on the latest developments, our strategies to address current challenges, and our path of sustainable growth.

Sector CEOs and their teams will highlight key business topics, with ample opportunities for Q&A sessions and discussions.

An optional ESG lunch session will provide updates on our environmental, social, and governance focus areas.
